Warrior Families,

7/19/2021

With great pride and excitement, I write this letter to you as the returning principal of North Columbus Preparatory Academy for the 2021-22 school year! After being a part of the founding team at my last school and turning the school around academically, I was chosen to be the founding Principal of North Columbus Preparatory Academy. My administrative experience has been shaped by four years of successful leadership as a Principal and over ten years of experience in the education field.

The Warrior community has continued to enjoy tremendous growth. The success we've experienced has been through the hard work, dedication, and partnerships between school staff, parents, community members, and most importantly, the scholars. I am incredibly humbled and most appreciative to be returning to our community as the principal of this educational family.

As a part of the community we serve, we stand with you to fight for safety, dignity, opportunity, reform, and justice. Our primary platform is through education. In our country, the circumstances children are born into often predict the educational opportunities they will have before even stepping foot in a classroom. The truth is that a child's potential knows no race, income, ethnicity, or gender. It is present across all communities and all lines of identity. We accept the responsibility of nurturing this potential through passionate educators that empower their students to learn, lead, and follow their passions into successful adulthood.

During the year, it is my hope that we will continue to work together to provide our scholars the best possible opportunities in preparing them for a college preparatory high school that ensures acceptance and graduation from a four-year college or university.

My door remains open, and I welcome your input. Please feel free to call to make an appointment to discuss any concerns, suggestions, or ideas to help make our 3rd year the best year yet!

Serving you,

Courtney Williams

A handwritten signature in black ink that reads "C. Williams". The signature is fluid and cursive, with a long horizontal stroke at the end.
