Dear North Columbus Preparatory Academy Families,

As the Principal of North Columbus Preparatory Academy, I am pleased to welcome new and returning families to a great upcoming school year at NCPA. Our staff eagerly awaits to witness the laughter, energy, and enthusiasm for learning. The 2022-2023 school year will have a resemblance of normalcy. Our staff looks forward to hosting in-person events, including Title Nights, Family dances, winter and spring programs, quarterly award ceremonies, and after-school clubs. With the return of these events, it will be an amazing year!

This year there will be an intense focus on establishing a safe, structured, and disciplined learning environment. Each family will be required to attend orientation before the first day of school. Please be on the lookout for the orientation dates. On July 20th, we will have an open house, and on July 21st, from 10 am-1:00 pm, we will have Olympic gold medalist Butch Reynolds at our school, providing a one-day camp for young athletes. We will also have our annual back-to-school bash on August 10th. Please mark these dates on your calendar now!

I encourage all of our parents to become active members of our Parent Council. Our staff and students can have amazing events, school supplies, and field trip opportunities with your support.

To stay abreast of all that is taking place at NCPA, please be sure to have an updated cell phone number and email address to receive information via our school messaging system. Also, this year each teacher will have access to Remind to communicate weekly with families. Please visit our website and social media platform regularly for current news and upcoming events.
