ACADEMIC PROGRESS

- NCPA's goals for the 2022-23 school year were to:
- Establish a trauma-sensitive school structure
  - Refine & clarify a RTI trauma-sensitive process to best support students
  - Academic growth

NCPA achieved all goals by focusing on trauma-informed practices such as allocating resources to support student needs such as hiring an Intervention Specialist and multiple Behavioral Intervention Specialists. The school additionally implemented a school-wide PBIS program and implemented RTI more rigorously. These changes were effective in increasing academic performance. NCPA increased its PI score by over 15% and achieved 3 stars in Progress for meeting state expectations for student growth.
